

Mini Trivia Blitz

Smaller Space Trivia Games Can Fit In Anywhere and Cost Less.

Want similar game action to our larger game show—**Interactive Trivia Blitz** but don't have the room or budget for it? Try our **Mini Trivia Blitz (MTB)**. **Mini Trivia Blitz** has fully functional table top contestant podiums that can fit in smaller spaces and a host podium that allows one Game Show Guru staff person to run a show. When space is at a premium (trade show, an event add on, library, or small venue), this can create a game show atmosphere without taking over. Best of all, the impact is still high, the fun is still thrilling, and it still involves many people.

Game Play

- ☺ **Standard**—one hour game show involving five to ten minute games with constant turnover. Material can be targeted towards audience.
- ☺ **Promotions**—up to two hour program featuring 5 ten minute games with music breaks and sponsor plugs in between. It's awesome fun. This can be reformatted to longer periods if necessary.
- ☺ **Add On**—Mini Trivia Blitz can be added to other game shows or DJ type events. Games are balanced with additional activities.

In all, we invite contestants up and interview them. The emcee asks high energy type questions on a variety of topics. The first team to "buzz in" gets a chance to answer. If it is correct, they get points. If it is wrong, they lose points. The audience is involved and a variety of other tricks are added. Best of all everyone is a winner. Still great for all ages.
