

Midway Trivia

Midway Trivia is our base and standard game show that is great for all events. We have multiple contestant podiums with buttons, microphones, and scorekeeping devices. Midway Trivia is the fair and festival version of our "Trivia Blitz" series game shows. **Trivia Blitz** is a buzzer banging Jeopardy like game in which four teams of 2 or 3 kids through adults answer high speed pop culture questions in five minute rounds and can win prizes. Seven games normally are played in an hour. **Awesome for teens. We involve more participants per program than any other traveling game show.**

What We Do During a Standard Midway Trivia /Big Top Trivia (Trivia Blitz) Game Show.

During our 45-60 minute Trivia Blitz game show, we will invite 4-8 people in various ages – 4-8 years old, 9-13 years old, 14-21 years old, adults, and maybe even mixed to answer pop culture questions, basic knowledge, and even questions about your event. If they know they answer, they press a button. If they get it right, they get points, if they get it wrong, they lose points.

At the end of 5 minutes, we cycle the game. We play about seven of these games in an hour. Sometimes we throw in a physical challenge contest. Also, we promote your sponsors with numerous stage plugs. We will give out **Game Show Star** magnets to every player and usually give out **Star T-Shirts** to the winners. Generally three 45 minute to one hour shows are run per day with a 70 minute teaser before hand (assuming it doesn't conflict with others).

Promotion Commotion Reaction Attraction

Get your sponsors to pay for us and it is essentially free. We will give you "pass through" benefits that no other entertainer will including: **Banner Space**, **Stage Announcements**, **Prize Give Aways**, and more.

Right: Blain's Farm and Fleet sponsored us at Rock County Fair. They received

banner space, many stage announcements, and we gave away their shirts, hats, and tons of other give aways. Money well spent. **Left:** Local Radio Personalities have a trivia playoff. Great promotion for the radio stations and the crowd loved it !!

Win It In A Minute

Win It In a Minute or *Team Versus*. Physical Challenge Game Show You have a minute (maybe two).

Experience one of the hottest game show programs to hit TV in recent time, modified for fair and stage use. Designed in the style of *Minute To Win It*, we create a set of contests that are performed by a group of your guests as a team or individually. We can run this in one of several formats:

Last Man Standing: We start with up to ten participants attempting to perform a specific challenge such as "Bobblehead". After each challenge, the last person to complete the challenge is eliminated from the game. This process continues with a total of ten challenges until a winner is found.

Random Challenges: Instead of running a structured show, we set up a variety of challenges that involve three to five people. We then invite either kids or adults (or both) to attempt to complete the challenge. At the end of each sequence, the winner gets a prize. This process continues for the time we have and allows more people to participate.

Each challenge is accompanied by a personable emcee, energetic music during and between challenges, and high impact excitement. Challenges may be changed during an event to keep it fresh for every show. Some can mimic the TV show while others can be from our vast inventory of games. The goal is to keep it fun, easy, and fast moving.

Win It In a Minute is sure to be a hit and can be combined with our Midway Trivia game show. For more information, please see the dedicated "data sheet" on our web site.

While we can program with any challenge, these are some of our favorites.

- Bobblehead
- Coffee Topper
- Face The Cookie
- Hangover
- Junk In The Trunk
- Movin In Up
- Nervous Nelly
- Paper Scraper
- Punch Your Lights Out
- Speed Eraser
- Stack Attack

The Buzz

The Great Game Show Give Away & Crazy Cash Attack is a

fast moving audience participation using mostly risk reward games designed to create incremental sales at retail, highlight sponsors, create excitement, and give away valuable prizes.

The **Great Game Show Give Away** is designed in part, in the style of TV game show *Let's Make a Deal*, in part, in the style of *The Price Is Right* and in part, some unique formats of our own. We take them in an entirely different direction.

Everyone who participates in our game show gets a prize and those who "win" the challenges receive a larger prize. Actual props used in each game show may vary by event and are usually tailored to the technical capabilities and space at hand.

Furthermore, to create additional excitement, after the player or players win, they can advance to a winners' circle for a chance at an even bigger prize by stepping into our money machine or playing a grand prize game.

The **Great Game Show Give Away** is a fun interactive game show that involves 50 or more people in an hour and motivates everyone else that they too can be a winner. The prize values can be adjusted to meet your budget, with each game having a designated maximum payout of cash or physical prize. Special kids version will also be available.

BEAT THE JOKER

Fair Feud

100 people surveyed, top 8 answers on the board Name your favorite Game Show. For an entirely different spin on game shows, we can present our **Survey Says?** game show. This game is modified to meet the technical limitations and budgets of outdoor festivals.

Two teams of five compete to find the top six answers to "surveys". First two players "face off" to see if they can get an answer on the board. If they get an answer, their team gets choice to "play" and try to get the remaining answers. Three strikes hands control of the board to the other team. Usually five questions are played in a game and it can be geared to any age group. We will provide host, video display, backdrop, face off podium, contestant pens, and more.

Right: Our famous **Survey Says** game show in a corporate environment. **Fair Feud** will have a modified set design.

Take It Er Leave It Beat the Banker

Up to 26 cases with money or prizes. Will you take the deal or leave it? Great for a promotion or grandstand..

Give a guest a chance to play for the big prize. Such a great Deal.

What's better than our game show?

Midway Trivia and Pop Noggins Combo Stage

For maximum benefit, book our game show with PopNoggins green screen video for a fantastic event.

We provide our mini trivia game show grounds act game show during the day and then run PopNoggins at night. That's up to six hours of entertainment on one stage.
