

# Highlights of Shows for Fairs & Festivals

## Midway Trivia

is our base and standard game show, great for all events. **Midway Trivia** is a buzzer banging game show in the style of Jeopardy in which four teams of 2 or 3 (kids and adults) answer high speed but easy pop culture questions in five minutes rounds. We have multiple contestant podiums with buttons, microphones, and score keeping devices. (**Midway Trivia** is the fair version of our "Trivia Blitz" game show with a twist.) Also, check out new **Q&A** which uses guest smart phones as audience response devices for trivia.

## Win It In A Minute/ Versus

**Physical Challenge Game Shows.** Experience one of the hottest game show programs to hit TV in recent time, modified for stage use. Designed in the style of tv show *Minute to Win It*, we create a set of fun but relatively easy contests that are performed by a group of your guests as a team or individually. Each game lasts a minute or two. This game show can run in several formats including *Last Man Standing*, *Random Challenges*, and *Team* format. Great for kids and adults. Also, don't forget we have **Fair Feud**, designed in the style of *Family Feud*.

**Game Show Gurus** wants to pump up your events with a high energy audience participation **game show based on games of chance.**

Game Shows create excitement for your guests, interest new guests, and increase visibility of a product or brand. Imagine the excitement of your guests when the name of the game show is "giving away valuable prizes". How can they resist?

**Game Show Give Away** is a new risk reward style game show that uses new large scale props designed in the style of the *Price is Right* or *Let's Make a Deal* -- but improved. It can involve up to 50 people who are invited to play attractive, but easy risk reward mini-games with names like **Beat The Joker**, **Pocket Money**, **Cash Drop**, **Star Power**, **Jackpot**, **Wheel of a Deal**, **Crazy Pies** and many more. Adapted from a game show that circulated state fairs for years as a lottery sponsorship vehicle, this game show will be great for a grand stand or promotional events, excellent with sponsors, and even a great grounds act when scaled down.

## BEAT THE JOKER

## Our shows are great for:

Grand Stand

Entertainment Tents

Grounds Act

Expo Hall

Sponsored Event

**Game Show Gurus  
Involves Everyone  
Kids - Adults - Families**
